# MEETING ANNOUNCEMENT AND CALL FOR PAPERS

## MEETING ANNOUNCEMENT

You are invited to attend the annual meeting of the Wisconsin Section of the American Water Resources Association (AWRA). The meeting will be held at Chula Vista Resort in Wisconsin Dells, on March 16 & 17, 2023. Our theme this year is "Reconnecting with Wisconsin's Waters and Water Scientists." We are planning plenary, oral, and poster sessions, plus lightning talks (see below), addressing both surface water and groundwater issues in Wisconsin. A preliminary program and registration materials will be available in January 2023. For more details, please visit the [AWRA website](#).

## CALL FOR PAPERS

We are soliciting posters and presentations related to the reconnection/collaboration theme as well as for general sessions on research related to hydrogeology, watershed management, hydrology, limnology, aquatic toxicology, water chemistry, aquatic ecology, and water use. Please specify your preference for oral or poster presentation or lightning talk when you submit your abstract. Oral presentation lengths will be based on the number of abstracts received but we are targeting 20-minute time slots, including 5 minutes for questions.

## CHAired SESSIONS

This year, our members are invited to organize chaired sessions. If you have a session in mind or would like more details, contact the Technical Co-Chairs for more information (see sidebar). Examples of past sessions:

- Climate Change and Water Resources Management
- Web-based Dashboards and Decision-support Systems for Water Resources
- Socio-Political Dimensions of Water Resources
- Environmental Justice—A Water Resources Perspective

## LIGHTNING TALKS

We encourage attendees to submit lightning talks. Lightning talks provide a brief, focused and informal medium for sharing ideas, and are limited to 5 slides and a strict 5-minute length. Lightning talk abstracts are limited to 5 sentences. Lightning talks may be submitted in addition to regular presentations, but we ask that the topic be different. If you have questions, contact Anna Fehling or Grace Graham (see sidebar).

## ABSTRACT SUBMISSION

The deadline for abstracts is Nov. 14, 2022. Abstracts should be limited to 1,500 characters including spaces and submitted online at [wisconsinawra.org/2023-annual-meeting.html](http://wisconsinawra.org/2023-annual-meeting.html). Contact Anna Fehling or Grace Graham (see sidebar) if you have questions.

## STUDENT AWARDS

The AWRA Annual Meeting is designed to create a student-friendly atmosphere. Students are strongly encouraged to present and discuss Wisconsin-related research in all aspects of water science and policy. To encourage excellence in student oral and poster presentations, up to four awards of \$200 will be offered. If you are a graduate or undergraduate student and would like to be considered for an award, please indicate your interest on the abstract submission form. Students submitting abstracts for poster presentations to be considered for an award will be asked to provide a PDF of their posters one week in advance of the conference for preliminary judging.

## DISTINGUISHED SERVICE AWARD NOMINATIONS

Here's your chance to recognize the outstanding contributions of AWRA members! This honor is presented at the annual meeting to an individual or group affiliated with the section who has made exceptional contributions in protecting and enhancing Wisconsin's water resources. Include in your nomination a narrative describing the nominee's contributions and contact information for both yourself and the nominee. Nominations should be sent to Mitch Olds at [wisconsinawra@gmail.com](mailto:wisconsinawra@gmail.com) by Nov. 30, 2022. For more information, contact Mitch or visit the [AWRA website](#).

## OFFICER ELECTIONS

Section elections for President Elect, Vice President, Treasurer and Director at Large will be held at the business meeting (during lunch at the conference). If you are interested in serving in one of these positions, contact Aaron Pruitt at [Aaron.Pruitt@wisconsin.gov](mailto:Aaron.Pruitt@wisconsin.gov) by Nov. 30, 2022.
