MEETING ANNOUNCEMENT AND CALL FOR PAPERS

MEETING ANNOUNCEMENT

You are invited to attend the annual meeting of the Wisconsin Section of the American Water Resources Association (AWRA). The meeting will be held at the Sheraton Milwaukee Brookfield Hotel in Brookfield on March 7 & 8, 2013. Our theme this year is "Managing Wisconsin's Urban Water Resources." We are planning plenary, oral and poster sessions addressing both surface water and ground-water issues in Wisconsin. We look forward to seeing you at what we're sure will be an exciting meeting. A preliminary program and registration materials will be available in January 2013. For updates, visit the AWRA website (<http://state.awra.org/wisconsin>).

CALL FOR PAPERS

We are soliciting posters and presentations related to the theme as well as for general sessions on research related to hydrogeology, watershed management, hydrology, limnology, aquatic toxicology, water chemistry, aquatic ecology, frac sand mining and drought. Please specify your preference for oral or poster presentation when you submit your abstract. Talks will be scheduled in 20-minute time slots, including 5 minutes for questions.

ABSTRACT SUBMISSION

The deadline for receipt of abstracts is Monday, December 3, 2012. Abstracts should be limited to 250 words (including title), formatted as specified at <http://state.awra.org/wisconsin/2013meeting.html> and saved as a Microsoft Word document. Please use the primary author's last name, or last name and first initial, within the filename. For example: "SmithJ_AWRA_abs.doc."

Please submit abstracts as an e-mail attachment to Philip Younger at philip.younger@gmail.com. Contact Philip if you have questions.

STUDENT AWARDS

The AWRA Annual Meeting is designed to create a student-friendly atmosphere. Students are strongly encouraged to present and discuss Wisconsin-related research in all aspects of water science and policy. To encourage excellence, awards of \$200 will be offered to the best student presentations in the oral and poster categories. If you are a student and would like to be considered for an award, please be sure to indicate your interest at the bottom of your abstract.

Students submitting abstracts for poster presentations to be considered for an award will be asked to provide a pdf copy of their posters one week in advance of the conference for preliminary judging.

DISTINGUISHED SERVICE AWARD NOMINATIONS

Here's your chance to recognize the outstanding contributions of AWRA members! This honor is presented at the annual meeting to an individual or group affiliated with the Section who has made exceptional contributions in protecting and enhancing Wisconsin's water resources. Include in your nomination a narrative describing the nominee's contributions and contact information for both yourself and the nominee. Nominations should be sent to Bob Stelzer, Department of Biology and Microbiology, University of Wisconsin-Oshkosh, Oshkosh, WI, 54901, or email to stelzer@uwosh.edu. For more information, contact Bob, or visit the AWRA website.
