MEETING ANNOUNCEMENT AND CALL FOR PAPERS

MEETING ANNOUNCEMENT

You are invited to attend the annual meeting of the Wisconsin Section of the American Water Resources Association (AWRA). The meeting will be held at the Olympia Resort & Conference Center in Oconomowoc on March 5 & 6, 2015. Our theme this year is "Wisconsin Water Resources and Agriculture." We are planning plenary, oral and poster sessions addressing both surface water and groundwater issues in Wisconsin. We look forward to seeing you at what we're sure will be an exciting meeting. A preliminary program and registration materials will be available in January 2015. For updates, visit the AWRA website (<http://state.awra.org/wisconsin>).

CALL FOR PAPERS

We are soliciting posters and presentations related to the theme as well as for general sessions on research related to hydrogeology, watershed management, hydrology, limnology, aquatic toxicology, water chemistry, aquatic ecology, frac sand mining and drought. Please specify your preference for oral or poster presentation when you submit your abstract. Talks will be scheduled in 20-minute time slots, including 5 minutes for questions.

ABSTRACT SUBMISSION

The deadline for receipt of abstracts is Friday, December 5, 2014. Abstracts should be limited to 2,000 characters and submitted to the conference website at <http://state.awra.org/wisconsin/2015meeting.html>. Contact Gretchen Bohnhoff at bohnhoffg@uwplatt.edu if you have questions.

STUDENT AWARDS

The AWRA Annual Meeting is designed to create a student-friendly atmosphere. Students are strongly encouraged to present and discuss Wisconsin-related research in all aspects of water science and policy. To encourage excellence in student oral and poster presentations, up to four awards of \$200 will be offered. If you are a graduate or undergraduate student and would like to be considered for an award, please be sure to indicate your interest on the abstract submission form.

Students submitting abstracts for poster presentations to be considered for an award will be asked to provide a pdf copy of their posters two weeks in advance of the conference for preliminary judging.

DISTINGUISHED SERVICE AWARD NOMINATIONS

Here's your chance to recognize the outstanding contributions of AWRA members! This honor is presented at the annual meeting to an individual or group affiliated with the Section who has made exceptional contributions in protecting and enhancing Wisconsin's water resources. Include in your nomination a narrative describing the nominee's contributions and contact information for both yourself and the nominee. Nominations can be included on the abstract submission form or sent to John Skalbeck, Geosciences Department, UW-Parkside, 900 Wood Road, Kenosha, WI 53141, or email to skalbeck@uwp.edu. For more information, contact John or visit the AWRA website.

OFFICER ELECTIONS

Section elections for President Elect, Vice President, Secretary, and Director at Large will be held at the business meeting. If you or someone you know would be interested in serving in one of these positions please contact Andrew Aslesen at (715-321-3451) or andrew@wrwa.org.
